Re: Marroquin v. 723 Edibles, Inc., et al., 21 Civ. 07566 (PGG) (KHP)

Dear Magistrate Judge Parker:

I am the attorney for defendant Joseph Benmoha in the above-referenced action. On May 9, 2022, Your Honor granted the parties' application and scheduled a conference for May 25, 2022. By this letter, defendant requests an adjournment of the conference as I am scheduled to be on trial the week of May 23, 2022, in the Supreme Court of New York in a matter entitled Kerman v. Lazaroff, Kings County Index No. 512448/2017. In addition, Mr. Benmoha will be traveling and unavailable until June 13, 2022. On that date, an arbitration is currently scheduled to commence in a related matter for which we have reserved three (3) days, although in an email to the arbitrator, dated May 17, 2022, claimant indicated his intent to dismiss the arbitration. No previous requests for an adjournment have been made. I have spoken with plaintiff's attorney who does not oppose this request for an adjournment.

Thank you for your consideration.

Very truly yours,

/s/

Ira Daniel Tokayer
